Fluent readers can read effortlessly, which allows them to focus on comprehension rather than word recognition.

The Core Components of Fluency

- Accuracy: Correctly recognizing words without unnecessary hesitation or errors.
- Speed: Reading at an appropriate pace that supports understanding.
- Prosody: Using expressive reading with appropriate pitch, tone, and rhythm.
- Comprehension: Understanding and interpreting the text read aloud.

- Focus on Accuracy First

Speed improves with accuracy. Encourage students to read slowly at first, emphasizing correct pronunciation and word recognition, then gradually increase speed.

- Model Fluent Reading

Listening to fluent reading models, whether through teacher recordings or audiobooks, helps students internalize proper rhythm and intonation.

Repeated readings of the same passage help build confidence, improve speed, and enhance prosody. Students should aim to read the passage multiple times until they can do so smoothly.

- Focus on Prosody and Expression

Encourage students to read with emotion and appropriate intonation, making the reading engaging and expressive. This not only improves fluency but also enhances comprehension.
